Attn: Ms. Rosemarie Nolan, Records Access Officer

Dear Ms. Nolan:

Pursuant to Article 6 of the New York Public Officers Law ("Freedom of Information Law"), access is requested to the following records relating to the visitation of one Khalled Muhammed to SUNY Stony Brook on or about April 22, 1992:

1. Correspondence, memoranda, notes, authorizations and other records relating to Mr. Muhammed's invitation by the African Studies Department to speak at SUNY Stony Brook.

2. Checks, drafts and other evidence of payments made (or to be made) to, or for the benefit of, or at the direction or behest of Mr. Muhammed for travel expenses, honorarium, or other purposes, together with the check requisitions, reimbursement requests, and other such documents that caused or are to cause such checks to be issued.

3. Recordings made of Mr. Muhammed's speeches at SUNY (including any appurtenant comments or speeches of others by way of introduction, closing, question-and-answer, etc.) including tape, video and/or transcripts.

4. Documentation relating to any arrangements for videotaping or

audiotaping Mr. Muhammed's speech, including but not limited to requisitions, work orders, purchase orders, contracts or subcontracts, etc.

5. If non-SUNY entities participated in making or transcribing any such recordings described in 4 above, copies of checks or drafts relating to any payments made or to be made to non-SUNY entities or personnel in connection therewith.

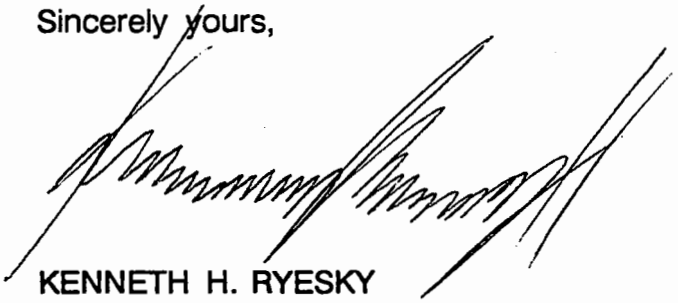
6. Correspondence, memoranda and other documents relating to any future commitments by SUNY or SUNY personnel (African Studies Department or otherwise) in connection with the aforementioned visitation of Mr. Muhammed.

7. Any directives, orders, policy statements or similar made or promulgated by SUNY Administration specifically in connection with the aforementioned visitation of Mr. Muhammed.

8. Any other documents relating to the aforementioned visitation of Mr. Muhammed.

Please advise me as to the access and copying of the aforementioned records. Your attention to this matter will be appreciated.

Sincerely yours,



KENNETH H. RYESKY

Re: Freedom of Information request dated May 7, 1992

Dear Mr. Ryesky:

In response to the above referenced request, please be advised that I investigated the basis upon which Mr. Khalled Muhammed visited the State University of New York at Stony Brook.

Please be advised that his visit was sponsored by a number of campus organizations all funded under the student government association called Polity. Polity is an independent corporation and not subject to the State Freedom of Information Law.

Accordingly, I regret that I must deny your request since the University does not have access to Polity's records nor those of any of its subgroups.

You may appeal this request to Patrick Hunt, Associate Vice Chancellor for University Relations, SUNY, State University Plaza, Albany, New York 12246.

Very truly yours,

Rosemarie Williams Nolan

Re: Appeal of Denial of Information under Freedom of Information Law

Dear Mr. Hunt:

Reference is made to a request for information dated May 7, 1992, and to the denial of same per letter dated May 14, 1992 from Ms. Rosemarie Williams Nolan, SUNY Stony Brook (copies attached).

The denial is appealed, based upon the following:

1. Ms. Nolan contends that Polity is not subject to the Freedom of Information Law because it is a corporation separate from SUNY. It appears that student governments at public universities are subject to the Freedom of Information Law, see Committee on Open Government, Advisory Opinion FOIL-AO-3500. Merely because Polity is incorporated separate from SUNY should not remove Polity from the ambit of the Freedom of Information Law, particularly in view of the fact that Polity's relationship with SUNY Stony Brook is certainly not at arms' length.

2. Whether or not Polity is within the purview of the Freedom of Information law, certain aspects of the May 7, 1992 request deal with information that has nothing to do with Polity, including the following:

A. Records of the African Studies Department and SUNY Administration were specifically requested. It is unclear as to how such records would be affected by the status of Polity.

B. Mr. Muhammed appeared in the Staller Center, a SUNY facility. Mr. Muhammed's speech was obviously recorded. It would seem that SUNY personnel were involved in the presentation at the Staller Center. (If University personnel were not so involved, then one can only wonder which provisions of the applicable labor-management agreements were breached.)

C. Mr. Muhammed was accompanied by his own security personnel, who were reportedly armed. Even if such individuals were unarmed, it is obvious that arrangements and coordination with SUNY security forces were (or should have been) made in advance, and paperwork generated thereby. SUNY should not knowingly consent to invasions of its campuses by outsiders, armed or otherwise, without permission, cognizance, direction and control by SUNY security forces.

Accordingly, the denial of the request for information under the Freedom of Information Law is hereby appealed.

Sincerely yours,

/s/

Dear Mr. Ryesky:

This is in response to your letter of June 9 which appeals what you claim to be a denial by Ms. Rosemarie Nolan, Records Access Officer for SUNY at Stony Brook, of your request for access to records under Freedom of Information Law (Public Officers Law § et seq.).

Your request specifically concerned records relating to the speaking engagement of Khalled Muhammed on campus.

By copy of this letter, I am respectfully requesting that Ms. Nolan provide you with a copy of any rental agreement which may exist between the University and Polity with respect to Mr. Muhammed, as well as any other final agreement which may be in the possession of the University relating to this matter.

We have been advised by the campus that the remainder of the records you requested are not maintained by or in the possession of the University. If these records exist they would be in the possession of Polity, an incorporated student government entity which is separate and distinct from the State University of New York and is not an "agency" which is subject to the Freedom of Information Law.

Sincerely,

Patrick Hunt
